- Active and Clear California Medical License.
- Have a team-oriented mindset (we love kind people!)

Job Duties and responsibilities:

- Promote the provision of high-quality health care services to our patients.
- Ensure high degree of patient satisfaction.
- Participate in marketing plans and strategy development to maintain the excellent reputation of the practices
- Strong diagnostic skills to diagnose and treat all dermatology related conditions
- Be knowledgeable of the latest treatments available for medical dermatology and cosmetic procedures.

Job Benefits:

The position offers an attractive production-based incentive along with a generous benefits package, including:

- 401k with match
- Health, Dental and Vision Insurance
- Fully paid Malpractice Insurance
- Paid Vacation
- Annual CME allowance
- Partnership Track
- Paid Malpractice Insurance

About Berkeley, CA:

Situated in the East Bay, Berkeley is the perfect combination of culture and sunshine. The city is well known for trails perfect for hiking, running and biking, beautiful waterways for fishing, swimming and kayaking, and plenty of picturesque scenery to discover along the way. Be sure to unwind your day with a glass of locally produced wine, a concert at the Greek Theatre, or a bite to eat at the Berkeley Bowl!

Home to the University of California, Berkeley, (Go Bears!) the city is made up of 112,000 people and easy access to San Francisco, Oakland, Napa, and everything in between in the Bay.

Our office is located in the heart of Berkeley, a short walking distance away from the Ashby BART station for those looking to commute from San Francisco, Oakland, or anywhere else in the East Bay or Peninsula.
